

Date: Aug 12, 2026

Notice: NHB Award for Best Design in Affordable Housing

1. Extension of Last Date of Registration & submission of entries for NHB Award for Best Design in Affordable Housing

It is hereby notified that the last dates of registration and submission of entries for NHB Award for Best Design in Affordable Housing have been extended as under:

Last date for registration by participants: **August 22, 2026**

Last date for submission of the entries: **August 24, 2026**

2. Registration of Participation in Participant Category I by Architects who are awaiting their COA registration

The Architects who have completed their B. Arch. course from an institution approved by COA and awaiting their COA registration can register under the **Participant Category I**. Such participants are required to input **CA/2026/000000** in the COA Registration Number Tab during registration on the portal. Also, such participants are required to submit a request email to design.award@nhb.org.in for consideration of their application pending COA registration along with the proof of successful completion of bachelor's degree in architecture from an institution approved by COA post registration and submission of entry on the NHB Design Award Portal.

For more information, please refer to NHB Design Award Portal <https://designaward.nhbonline.org.in/>.
